Regional Development Board (RDB)

(non-formal body with representatives from TTA-TC and TCBO and the textile business sector)

The purpose of the Regional Development Board (RDB) is to define and establish development criteria of the industry that will help textile sector to position itself in accordance with the vision and promote the textile industry in the region. Also its aim is to implement activities defined in the Action plan and provide engagement form other companies in the sector. It will be the main driver of the Regional Vision.
